

**International section**

# LEARN      WORK      PLAY      THINK      LIVE

The Hungry Caterpillar is a reputed school with a history of 10 long years that has turned out excellent caliber of students with a strong foundation and positive attitude towards learning. The School has gone through major transformation and has now moved into a magnificent premise, a new building with state of the art facility, and an open door to excellence in the field of education. It is a place where Learning is fun and Teaching is a pleasure.

The school boasts of an International Preschool using the British National Curriculum EYFS Key Stage 1 for the 2 to 6 yr age group meeting the diverse needs of children from different nationalities. The sector focuses on the learning process, activity based where every concept is taught through hands on experiences, observation, logic and individual attention in a rich environment. “Know the child” is where progress is reviewed and recorded. The Learning areas are

- Language and Literacy: /Reading /Writing/ Creative writing /Speaking/Listening
- Numeracy & Mathematics: Numbers/Value/Colours & Shapes/Games and Puzzles
- Knowledge & Understanding of the World: Audio Visual Books, Hands on experiences through the medium of observation, experience and recording.
- Personal and Social Development: Developing social awareness and self esteem using songs, books, and role play.
- Creative Development: Music/Dance/Role play/Drawing/Painting/Art&Craft
- Physical Development: Structured Games played outdoors to develop the Gross motor skills.

First hand experiences and integrated learning in a fun way is the order of the day at the International sector of the school. Individual attention and developing the hidden potential of the children is focused upon. Creativity is linked with all areas of the curriculum.

**So do make a beeline to the most attractive preschool conveniently located in Kampala.** When you walk into the school there is a noticeable feeling of warmth, “Aunty B” whose warmth and affection permeates the whole school, staff and children, has 18 years of experience working with children.

Teachers: In-service training is attended by all the teachers in all areas of school conducted every term to maintain the high standard. We have dedicated and disciplined, patient yet enthusiastic staff who work at bringing out the best in children. The teachers follow the “Positive Discipline” approach when handling children which is being kind and yet firm.
