The Hungry Caterpillar is a reputed school with a history of 10 long years that has turned out an excellent caliber of students with a strong foundation and positive attitude towards learning. The School has gone through major transformation and has now moved into a magnificent premise, a new building with state of the art facility, and an open door to excellence in the field of education. It is a place where Learning is fun and Teaching is a pleasure.

## **PRE-PRIMARY SECTION OF THE SCHOOL**

The Learning Framework of Uganda (NCDC) for Early Childhood 3-6 years of age is outcome and competence based. Emphasis is on learner centeredness and provides for increased learner teacher contact time. The school program is result oriented, with observable and measurable skills, knowledge, competences and values to be acquired by the children in the following areas.

- Communication and Language
- Problem solving and Mathematical concepts
- Knowledge & Understanding of the World
- Physical development
- Creative development

Personal, social and emotional development pervades the entire Pre-primary as the focus is on the development of Life skills in all areas of Early childhood.

## FACILITIES:

## PRIMARY SECTION OF THE SCHOOL

**“We strive for quality performance and all round development”**

The school also offers Primary education, of Uganda for students (UNEB) 6 -12 yrs, P 1 to P VII with a difference. Today, Education has taken on a new meaning, different approaches are merged and integrated to suit a culture and presented to the children to become achievers. The curriculum is project based. Good grooming, Eloquent expression, Logic and Reasoning are some of the qualities the primary children will reflect by the time they leave the school. .

The Primary section at The Hungry Caterpillar is beautifully structured to ensure broad based development of the pupils. Here the pupils are able to develop their cognitive, social, emotional, cultural and physical skills to the best of their abilities preparing them for their future school career. We believe that proficiency in Language, Arithmetic and Science is an essential condition for continued development.

Specialist teachers work in the Library, IT, and co-curricular activities like Sports, Taekwondo, Ballet and Swimming. We are in compliance with the requirement that good development of the pupils is an education system that sets challenging targets for every pupil. Hence we adopt an outcome oriented approach where the pupil and school performance is regularly evaluated. Appropriate and challenging education requires a professional school structure with good teachers and good leaders as we have at The Hungry Caterpillar.

**OUR TEACHERS:** The school recruits qualified competent and experienced Teachers. They also undergo regular training in every area of the school to maintain the high standard of the school. The teachers follow the “Positive Discipline” approach when handling children which is being kind and yet firm.

School Timings:

**PI-PII - 8:00 am - 3:00 pm**

**PIV-PV-PVI - 8:00 am - 4:00 pm**

**PVI /PVII - 8:00 am - 4:30 pm**

**FACILITIES:** The school has modern adequate and well equipped facilities for all subjects and school activities. The classrooms are tastefully decorated with all the amenities to suit the Primary. An Audio visual room, IT room, A well stocked Library, A sick bay, and a Game area. We also have clean separate washrooms for Girls and Boys. We have installed Close Circuit TV in all areas of the school to ensure security.

The children of The Hungry Caterpillar School are GEMS. The school has Four Houses developing a competitive spirit among the children to become achievers in all activities. We also believe the children will reflect the qualities of the gems as in

- Topaz being the yellow house will stimulate the children to reflect sunshine.
- Ruby being the red house aims at producing dynamic and stable achievers.
- Emerald the green house aims at developing kind and compassionate winners.
- Sapphire(the blue house)aims at reflecting amazing wisdom and honest achievers.

These houses blend to become The Hungry Caterpillar School, a Treasure house of precious gems.
